

MRS. MARY E. ROACH of Lynchburg, Va., who says Tanlac is her favorite medicine and that she will always keep it on hand as it enabled her to enjoy three years of good health.

"Tanlac has been the favorite medicine in my cabinet for three years," said Mrs. M. E. Roach, of 402 Clay street, Lynchburg, Virginia, in an interview recently.

"At the time I began taking Tanlac," explained Mrs. Roach, "I had been suffering from indigestion, rheumatism and other troubles for nine years and could find nothing to help me. If I ventured to eat anything the least bit heavy I would bloat up with sour gas and almost smother. My heart would palpitate frightfully and when these spells came on me I was so dizzy and weak I could hardly stand up. I often had to stop and rest while doing my housework. I was badly constipated and hardly ever free of headache. I also suffered with rheumatism in my fingers and especially in cloudy, rainy or snowy weather my pain was almost unbearable. My kidneys and liver were out of order and I had the worst kind of pains in my back, legs and shoulders. I had no appetite and what little I did eat seemed to do me more harm than good, as I always suffered afterwards and had become so run-down, weak and miserable that I sometimes felt like life was hardly worth living. "One day I read a testimonial for Tanlac that seemed so sincere that I decided to see if the medicine would help me. Well, the first bottle did me so much good that I got another, then another and so on until my troubles all disappeared. As I said, that was three years ago, and I have been able to keep myself in good health ever since by taking a few doses of Tanlac now and then as I feel the need of it. Tanlac has built me up and given me strength and energy so that my housework is easy for me. It makes life worth living, for it keeps me with a good appetite, helps me to digest my food properly, and, by relieving me of all suffering and nervousness, enables me to sleep soundly every night. I shall always praise Tanlac."

Tanlac is sold in Bennington by W. L. Gokay.—Advertisement.

A WONDERFUL HELP

At Two Stages of Life Lydia E. Pinkham's Vegetable Compound Made Mrs. Fairburn Strong And Well.

Chattanooga, Tenn.—"I used Lydia E. Pinkham's Vegetable Compound before my baby came when I could no longer keep up. It strengthened my back and relieved me of the dropsical effect which so often develops at such times. It helped me wonderfully. That was my first experience with the Vegetable Compound. Years afterwards I took it during the Change of Life and got along so well I scarcely ever had to lie down during the day and seldom had dizzy fainting spells. I am now well and strong, can do all my housework with perfect ease and it is a comfort to me to be able to say to other suffering women, 'Take Lydia E. Pinkham's medicine and be strong.' I will be glad to have you use my name if it will be the means of helping any one."

—Mrs. R. A. FAIRBURN, 606 Orchard Knob Avenue, Chattanooga, Tenn.
